- Open AC assignments from previous meetings that are recommended for closure - Colin:-
 - All Areas should continue to place “Cockpit Cards” in notable non-member’s boats to promote the OGA.
 - All to continue to find a volunteer interested in helping with External Communications. (Will Loram who was going to take on the External Communications and Sponsorship role early in 2023 but then withdrew due to other commitments).
 - All areas to consider making any OGA owned Gaffling 4.1s available, for loan or hire, to Members from all Areas, to get additional entries to small boat events.
 - All Areas who have any updated/corrected boat measurements should send the data to the Boat Register Editors so the Boat Register remains the master record.
