

## Scotland

This was a quiet year for the area after the bussle OGA 60. We did hold three shoreside events.

- 1) a pre-season lunch at the Predisident's house, with two boats in attendance on the water.
- 2) a visit to Crinan Boat yard
- 3) the AGM in Lochgoilhead where we elected a new Treasurer, Terry Smith.

We offered to host the AGM in Scotland this year but the other areas vetoed this, so we are organising the event in England.

This severely compromises the ability of OGA Scotland members to attend the event. In future years it would be helpful to make the cost of attending less dependent on geography. Perhaps we could make sure that the event is held close to a low-cost airline hub.

This year Gordon Garman will be retiring from the OGA. Gordon was Scottish President for many years as well as being OGA Treasurer. He leaves with our heartfelt thanks and best wishes.

Members: 45, Left 8, Joined 5

One in Shetland, one in England and two in the USA (but we are losing the US members)

Others as shown:
