

New memberships in 2024 by Area

A list of New Memberships by Area was requested, and I thought it would only be meaningful in the context of total Area numbers, so I copied and pasted the Membership Numbers from my report, and added the new memberships from 2024
Lists are of memberships (numbers in brackets are totals including Family members)
Bear in mind that the numbers at the moment are fewer (but in a state of flux) as memberships tend to end at the end of the year.
