

North Wales Area Report to the January 2021 ACM

Area Annual General Meeting and Sail in Company Combined Event - 8th August 2020

Eight boats and around 25 members and guests attended a half day sail in company on the Menai Strait, followed by an outdoor, (socially distanced, AGM with picnic tea back at Port Penrhyn. Perfect weather and stunning scenery.

Following the sad loss of our Area Secretary, Sue Farrer, in January 2020, and husband Peter's decision to stand down as Treasurer, new committee members were voted in. We now have a 'Vice President' in post, Mike Leahy, who brings new ideas and insight to the group.

We aim to circulate a Survey Monkey poll to area members in early January to explore interest in potential new directions. Responses will form the basis of our 2021 programme, with a view to publishing these in the Spring Gaffers Log.

Sally Holgate– North Wales Area Secretary
