

At the Association Committee Meeting on Saturday 11th January 2020 the following Assignments were given to the GMC

- A yearbook will be published in 2020.
- OGA content in the Sailing By website will be moved to the main OGA website and all OGA branding to be removed from the Sailing By website which Beverley will continue to manage, edit and host on a non-OGA website all at no cost to the OGA.
- Find a more cost effective solution for the Website for the coming years and ensure the 5000 photographs in the database be retained within the solution. Maintain the security of the current Website in the short term now our contract with Xited has come to an end.
- Mailchimp will be updated.
- Total balance of Areas' accounts to be shown on Association account rather than on a separate document.
- Boat register and image library be joined up.
- Help Scotland Area with coordination of events, both sailing and social, with adjoining Areas.
- Implement the Document and Photograph Retention Policy/Archive.
- Photo competition to continue in 2020 and volunteers should be found to organise and to judge it.
