

## **Association Committee Meeting**

### **September 9, 2021 from 18:00 to 20:00 via Zoom**

#### **Funding for the 2023 Round Britain Challenge**

At present there are 14 proposed Party Ports, and the final OGA60 event organised by the East Coast Area. We are building a fund which, by 2023, is expected to be in the region of £23000.

Our recommendation is that each Area Committee submits a funding request to the Association Treasurer so that we can make a proposal to the AC how those funds will be allocated.

Areas are encouraged to reach out to local communities, organisations, clubs, etc. for them to visit the event, see the boats and learn about the OGA. For this, Areas may seek grants and sponsorship opportunities to supplement the OGA fund.
