

For British Passport exit stamp.

Police aux Frontières

+33 3 21 46 25 00

It's a long walk but there is a navette (free)
from the Town Railway Station to the Car Ferry Terminal.
The office is near the car ferry ticket office (Billetterie)
- unmistakable gold coloured building.

The PAF is a little further along the road on the right. You ring the bell. They ask for your passport and boat registration papers.

On return, I get off the Navette in the Place Leon Vincent, quite close to the Marina.

I have just obtained passport stamp to leave Calais in my own boat. That was from the office of the Police aux Frontières (PAF) +33 3 21 46 25 00.

It's a long walk but there is a free bus (navette) from the town railway station to the Car Ferry Terminals stopping near the car ferry ticket office (Billetterie), an unmistakable gold coloured building. The PAF is a little further along the road on the right. A square, grey building, in line with the vehicle control booths

You ring a bell and wait outside. They wanted to see my passport and boat registration document.

On the return I got off the navette in the Place Léon Vincent, quite close to the marina.
