OGA Awards and trophies

Dave Percival, OGA Awards and trophies secretary, made presentations for the 2017 sailing season at the AGM on 13 January 2018. A report on the awards and trophies will be published in the Spring 2018 issue of Gaffers Log. Visit the OGA website for full details: www.oga.org.uk/trophies

Three trophies were not awarded in 2017: Alan Hidden Trophy, Cape Horn Trophy and Jolie Brist Trophy. Look out for potential winners of these awards in 2018.

In recognition of his work in making the Sou' by Sou'West cruise so welcome in Plymouth, John Gallagher was awarded the David Cade Memorial Trophy: *"Nothing too grand but plenty of warmth and good feeling. It must be the biggest joint gaffer event we have seen (possibly ever?) and a great example of the OGA's spirit. It got many of us sailing beyond our usual limits. John's enthusiasm, stamina and leadership were a key part of its success. May there be more of its kind in the future."*

New to gaffing, David & Julie Patuck won the Gaffers Globe for taking 'Susan J' to the Scilly Isles in the Sou' by Sou'West cruise (pictured left, photo by Steve Lorraine, SW Area): *"Hospitable, welcoming and fun throughout, they were undoubtedly the least experienced of four crews who reached the Isles of Scilly in trying and adverse conditions. A huge achievement for a first season in any boat, let alone their first boat, 'Susan J'."*

Another new member was awarded the Gaffers Globe, Nick Swift, also from the South West, wrote an entertaining and lively article for Gaffers Log about his participation in the Sou' by Sou'West cruise.

The Janty Cup was awarded to Phoebe Chaplin who joined the East Coast August cruise on 'Cygnet of London', and wrote about her first experiences of sailing whilst learning to cope with the challenges of Type 2 diabetes.

In a slight 'twist' of the trophy criteria, the Grumpy II Cups were awarded to young skipper Will Thomas and his old Dad Pete for rescuing 'Juanita' and restoring her to seaworthy condition in time for the EC August Cruise.
